INTRODUCTION

Netsan is a company founded in Istanbul, Turkey in 1986. We have always aimed to provide the best products and services to our business partners, earning their trust and bringing us to where we are today. We have added recycled products to our portfolio, in line with our renewed commitment to being environmentally friendly. Through our work using recycled paper, paint and fabric, we stand alongside nature.

As Netsan Packaging, we closely follow the latest technological developments and strive to deserve the trust shown to us through our unwavering dedication to customer satisfaction.

We plan and execute our activities in an ethical, honest, transparent, correct and lawful manner, with consideration for our employees, customers, business partners and society.

CORRUGATED BOXES

Sustainable packaging can make an impact on the planet and on your eCommerce business. As an eCommerce business, one of the most important factors in your business's growth and success is your ability to establish a strong relationship with your customers. And in recent years, customers are beginning to value environmentally-friendly packaging and products. And what better way to satisfy those values than with sustainable packaging like corrugated?
